Proposed to Executive Committee: 4/14/05

Adopted at Full Board Second Reading: 6/23/05

The Academy will maintain a student activity program that supports the mission of the school and is as diverse as staff and facilities permit. The program will be designed to offer for the greatest number of students worthwhile leisure-time interests, wholesome recreational and social activities, and opportunities to develop skills in democratic and cooperative management for these activities.

Rules and regulations for student clubs and activities, along with the procedures for new program proposals, can be found in the Student Handbook. The Student Handbook is distributed by the Head of School to the students and their parents at the beginning of the academic year.

The Student Affairs Committee of the Board of Trustees, working with the Dean of Students, will review and revise the contents of the Student Handbook each year. The Student Handbook for the coming academic year will be presented to the Executive Committee for approval and forwarding to the Board of Trustees for final approval at or before *its* annual meeting in June.

The rules, regulations, and procedures contained in the Student Handbook, as approved by the Board, shall be the policy of the Board until and unless changed at a regular or special meeting of the Board.
