

STUDENT CLUBS AND ACTIVITIES

[C23]

I. PURPOSE

The purpose of this policy is to address school-sponsored and student-run clubs and activities. Community-sponsored activities are addressed in the Thetford Academy policy on Community Use of School Facilities [E20].

II. POLICY

Thetford Academy shall maintain a student activity program that supports the mission of the school, is appropriate for the maturity level of students, and is as diverse as the school's staffing and facilities permit. The program shall be designed to offer wholesome recreational and social activities, and to provide opportunities to develop skills in democratic and cooperative management of these activities, and to be available to as many students as possible.

III. COMPONENTS OF POLICY

Rules and regulations for student clubs and activities, along with the procedures for new program proposals, shall be included in the Student and Family Handbook.
